The Honorable Nancy Pelosi
Speaker, House of Representatives
United States Capitol
Washington, DC 20515

The Honorable Mitch McConnell
Majority Leader
United States Senate
Washington, DC 20510

The Honorable Kevin McCarthy
Minority Leader, House of Representatives
United State Capitol
Washington, DC 20515

The Honorable Charles Schumer
Democratic Leader
United States Senate
Washington, DC 20510

Dear Speaker Pelosi and Leaders McConnell, McCarthy, and Schumer:

We, the undersigned organizations, representing millions of businesses who employ tens of millions of American workers, **urge Congress to enact legislation before the end of the year that includes a technical correction addressing the tax treatment of loan forgiveness under the Paycheck Protection Program (PPP)**. At the onset of the COVID-19 pandemic, Congress responded with speed, cooperation, and an eye to preventing the worst potential economic outcomes. We ask that you bring that same spirit of urgency and cooperation before the end of this session to prevent an avoidable catastrophe for millions of small businesses that, without Congressional action, will face a surprising, and, in many cases, insurmountable tax bill next year.

One of the most effective economic relief measures for our members was the PPP, passed as part of the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The terms of the PPP

Additionally, the IRS recently issued Revenue Ruling 2020-27, stating that expenses funded through a PPP loan are not deductible for 2020 if “the taxpayer *reasonably expects to receive forgiveness of the covered loan* on the basis of the expenses it paid or accrued during the covered period, *even if the taxpayer has not submitted an application for forgiveness of the covered loan by the end of such taxable year*” [emphasis added].

Since the IRS issued Notice 2020-32, Congress has signaled that it intends to reverse the ruling.
